

Kernow Storm Futbol Club is committed to the development of both soccer talent and the overall development of youth players on and off the field.

Kernow Storm Futbol Club Embrace:

- A non-stress environment where soccer skill and player development is the emphasis.
- A safe environment for the learning and coaching of competitive skills and tactics.
- Committed professional level of coaching at a truly reasonable price. We concentrate on competitive long term development and believe that quality and long term development is more important than short term 'gains', which many other clubs desire.
- Club emphasis on age appropriate development process and gender where applicable.

Kernow Storm Futbol Club soccer program is of a competitive nature. It is important that both the parent and player understands the continuous support each player requires. We are dedicated to a complete soccer structure within the cities that Kernow storm operate to produce players who will have the knowledge and skill to play at high school and collegiate level. We are dedicated to the development of the American soccer player regardless of race, religion or socio-economic status.
